Hi all,

Attached please find the latest CA Permits Status Tracking Sheet, which reflects PG's NPDES permitting activities in California through July 2019 under Task Order 09 and Task Order 417.

Note that OWM Work Assignment 2-67 is no longer shown since the period of performance ended June 30<sup>th</sup>. However, if you wish to see the WA 2-67 information, you can find it by using the filters on Column N "EPA Task Order".

Thank you,
